The purpose of the K of C Sweet Corn Project fundraiser is to raise money for charity, area Catholic Parish evangelization programs and Holy Cross School academics and athletic programs.

**VOLUNTEERS WILL RECEIVE:**

- 1. One Inaugural Knight's Sweet Corn Tee Shirt**
- 2. One RAFFLE ticket per shift worked (\$20 weekly drawing)**
- 3. Share "End of Season" Net Revenue with their designated Group**
- 4. Invitation to end of season appreciation dinner**

A **RAFFLE INCENTIVE** program will exist for volunteers who sign up on the Genius Schedule and participate in their two hour shift that they are committed to. Each Saturday morning at 11:45 a drawing for volunteers that week, will be held and the winners will be posted on a white board stored in the "reefer" truck. Each week the drawing winner will receive a \$20 gift card from the Council. 2 additional **RAFFLE** incentive drawings will also occur for the Sweet Corn Festival on Saturday (4:45 pm) and Sunday (4:45 pm).

The Knights Council 2090 have adopted a **NET REVENUE SHARING** program. This means that multiple groups of volunteers will be contributing to this annual project. To date the Council has identified the following groups: 1. K of C Council members, 2. Holy Cross School staff, parents/student teams and teachers, 3. Holy Cross Parish members, 4. St. Theresa Parish, 5. Sts. Peter & Paul Parish.

The Knights receive the first \$3.00 / dozen (wholesale price) and the volunteer groups share the retail net balance over \$3.00. All retail sales are priced at \$6.00 / dozen and all donations and tips are accepted. Each groups total volunteer hours compared to total project hours, will share in the allocation of net revenue.

A **FREE appreciation dinner** will be held for all SC project volunteers at the Peterstown Hall on Sept. 8, 2022. A raffle ticket drawing will be held that evening for all volunteer tickets earned during the project. All volunteers that harvest, deliver and sell SC will earn a raffle ticket for their shift, will be included in the drawing and do NOT need to be present to win. There will be three drawing winners, each will receive \$100.

Volunteers are not required to be a Knights of Columbus member.
